

MULTIFUNCTION FACSIMILE

**LANIER**  
A RICOH COMPANY

# LE215m

*Fast, productive performance and outstanding value*

*A compact, affordable multifunction fax system that delivers business-class faxing, plus high-quality printing and color scanning for low-volume environments*

*your document management partner*

## FEATURES

Choose the Lanier LF215m for high-performance faxing, color scanning, and laser printing in a compact, space-saving footprint. This easy-to-use, all-in-one solution is ideal for low-volume offices, independent businesses, and workgroups that need high-quality output from an affordable desktop system. The LF215m features fast transmission and prints up to 17 pages per minute to maximize productivity. It also includes many features typically found in high-volume systems, ensuring superior overall value.

### Powerful fax functionality

- 33.6 kbps modem minimizes long-distance costs
- Quick three-second transmission speed increases productivity
- 5 MB memory stores up to 400 pages
- 50-sheet automatic document feeder
- 40 quick dial and 150 speed dial locations

### Outstanding color scanning

- 600 x 300 dpi scanning delivers high-quality, business-class results
- 1.5-seconds-per-page scan speed maximizes productivity
- Scan and store hardcopy color images, photos, and graphics directly to a PC archive

### Fast desktop laser printing

- Prints up to 17 pages per minute to increase throughput
- 600 dpi output for consistently excellent image quality
- 250-sheet paper capacity minimizes reloading

### Convenient design, exceptional value

- Compact footprint saves real estate in space-restricted offices
- Multifunction operation eliminates separate supplies costs for faxing, scanning, and printing
- Convenience copying offers high-quality reproductions
- Standard PC connectivity for easy operation
